

Appendix G:

You are invited to a study

UT Southwestern and Parkland Health and Hospital System are conducting a research study to learn more about how the COVID-19 Pandemic is impacting our community and would like to share information and resources for COVID-19 testing with you and friends, family, coworkers or someone you spend time with on a regular basis.

WHO IS BEING ASKED TO JOIN?

- *Hispanic*

WHAT WILL YOU DO?

- *As a participant you will be asked to complete two surveys (a 60-minute survey when you enroll in the study and a 30-minute survey 21 days later); get tested for COVID-19 and refer friends, family members, coworkers or someone you spend time with on a regular basis to the study. Your participation in the study would last 21 days.*

WHAT WILL YOU GET?

- *Compensation up to \$190 will be provided, depending upon level of study participation.*
