Mission

Cristo Rey Dallas College Prep is a Catholic, college preparatory school for students from households of low to moderate income. Cristo Rey Dallas nurtures and challenges young women and men of all faiths to recognize and realize their full potential as they grow to love God, respect others and serve their community. Each student participates in the Corporate Work Study Program which offers a weekly work study experience for all four years.

Corporate Work Study Program

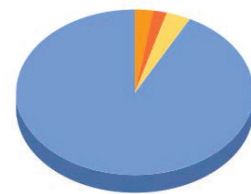

The Corporate Work Study Program (CWSP) is an integral part of the student's educational experience at Cristo Rey Dallas. It provides unique learning opportunities for our students throughout the city of Dallas by engaging them in entry-level office positions in various industries. Students gain real world-experience, connect with professional role models, and develop a strong work ethic. Students are employed by 124 job partners and on an average year our students earn 60% of their tuition.
